Peer Tutoring Application

This application must be submitted to your counselor during your articulation appointment.

Peer Tutoring does **NOT** meet a UC a-g requirement. However, you **will** gain valuable, practical experience that may help with your leadership skills, communication skills, college essays and life experiences.

To be a Peer Tutor you must have / be

- good attendance
- good citizenship grades
- patience and understanding
- strong academic skills
- strong interpersonal skills

Please list the subjects you are willing to tutor in order of preference:

1) _____

2) _____

3) _____

Please complete:

Please use this portion of the application to describe yourself as a student and why you believe you would be a good Peer Tutor. If you have had other leadership roles, please describe those also.
