Pathway	Guidance	Documentation
6. Assessment by a college or university <i>No district graduation credit or grade will be earned.</i>	Some university language departments will conduct an assessment and issue a statement of competency on official letterhead. This formal document will show that the student has met the world language graduation requirement. Students should contact the college or university directly in order to schedule as assessment. Students will be responsible for any expenses incurred during the assessment process.	College or university verification of proficiency. Option 6 checked on LOTE Proficiency Certification with principal's signature.

LOTE FAQs

What is LOTE?

LOTE = Languages Other than English = World Languages. All students, starting with the Class of 2016, need to demonstrate proficiency in English and a language other than English in order to meet SDUSD graduation requirements.

What is LOTE proficiency?

For SDUSD graduation purposes, students must demonstrate proficiency in a language other than English **equivalent to** two years of formal instruction in that language. This **does not mean** that students need two years of seat time in a world language class. (See note below)

How do students demonstrate LOTE proficiency?

There are 6 options for students to demonstrate proficiency and satisfy the world languages graduation requirement. The majority of students will do this via the first two options:

1. Take 2 years of world language courses in an SDUSD school
2. Take 2 years of world language courses in an SDUSD-approved Independent World Language School
Students may also satisfy the world languages requirement through the following alternative means:
3. Passing an AP, IB, or SAT Subject exam
4. Completing 2 years of formal instruction in a language other than English at or beyond Grade 6 (verified by foreign transcripts)
5. Passing a district-designed LOTE assessment (assessments are currently available in Amharic, Arabic, ASL, Burmese, Cambodian, Czech, Farsi, French, German, Hebrew, Hindi, Italian, Japanese, Karen, Kinyarwanda, Korean, Mandarin, Polish, Portuguese, Russian, Somali, Spanish, Swahili, Tagalog, Thai, Turkish, and Vietnamese.).
6. Receiving a certificate of proficiency from a college or university

Can my student waive the LOTE graduation requirement?

No. Every student who intends to graduate from an SDUSD high school must meet the requirement in one of the six ways listed above.

What if my student has a 504 or an IEP?

Please consult with your student's counselor and/or SST for additional information.

What if my student already speaks a language other than English?

Please review options 3 through 6 above. Students who already speak a language other than English may be able to satisfy the world languages requirement without having to be enrolled in two years or world language courses. (See note below)

If you have additional questions, please contact your secondary school site counselor.

***NOTE:** The LOTE requirement is about **language proficiency**, not seat time. Passing a higher-level course validates the course of study for any lower level courses. For example, if a student passes French 5-6, he or she will earn graduation credit for that course and will meet the world language requirement since 5-6 is a third-year course. SDUSD considers a “D” to be a passing grade, but a “C” or better is required for UC/CSU admission.
